Consultation on Borden CEP School; Bredgar CEP School, Minterne Junior School and The Oaks Infant School. Admissions Policy 2020/21

The above schools are currently consulting on their Admission Policy for 2020/21. All state schools have to consult on their Admissions Policies every seven years. Additionally schools have to consult if there has been a substantial change to the school's status or if there have been changes to national policy guidelines.

Recently the Government issued guidance on additional criteria for the admission of looked after children. Following conversion to academy status, The Potential in Everyone Academy Trust is the admissions authority for each of the schools.

We are seeking your comments on the draft Admissions Policies which can be found on the Trust website at the following address (together with details published on each individual school website):

Please send comments to pa@pieat.org.uk

The consultation closes at midday on Wednesday 23rd January 2019. Your comments will be considered and the final Admissions Policy for each school will be published on 31st January.

Yours sincerely
